The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

On Tuesday, March 26, 1984, Senator Kennedy introduced Amendment #2836 to the Urgent Supplemental for the Fiscal Year 1984 PL-480 Program [H.J.Res. 492]. At that time, Senator Kennedy said his amendment was based on his concern that there have been "persistent allegations that high Salvadoran officials are deeply involved in the death squads, possibly with the complicity or acquiescence of the CIA." Kennedy's amendment stated the following:

"The Senate and House Select Committees on Intelligence, in coordination with the Senate Foreign Relations Committee and the House Foreign Affairs Committee, shall conduct a full investigation of death squads in El Salvador and shall report to the Senate and the House of Representatives by May 31, 1984, on the extent of death squad activity, responsibility for organizing, directing and carrying out death squad killings, and progress in prosecuting those responsible for such killings."

The Senate Select Committee on Intelligence routinely does reports on its own recognizance or if requested by other Committees or Members of the Senate. So on April 3, 1984, we agreed in a colloquy on the Floor of the Senate to hold a series of hearings on the death squads in response to Senator Kennedy's concern. We further agreed to investigate the matter of these allegations and to make the record of that investigation known to the extent that it can be published. On the basis of our commitments to Senator Kennedy, the Staff Director and Minority Staff Director of the Committee have established a Death Squad Working Group which is being coordinated by Larry Kettlewell and Steve Ward.

The Honorable William J. Casey
